

## Darley Dale, Wensley, Winster and Elton Safer Neighbourhood Team

### Update on the area's quarterly priorities.

You said... By completing Derbyshire talking surveys the next quarterly priorities have been chosen as

- Speeding across the area, in particular Station Road, B5057 through Darley Bridge, Cross Green and Wensley and Wensley Road through Winster
- Drug dealing and drug taking in the Darley Dale area.

We will...

- Continue to carry out speed enforcement across the area using our team, roads policing and CREST.
- Support the current Community speed watch teams and encourage more members of public to create new teams.
- Target problem areas known for Drug use and Drug dealing using various methods.
- More frequent foot and vehicle patrols in the main area's problems are highlighted to us.
- Publish any enforcement action taken in relation to the drug dealing and drug taking in the Darley Dale area.

Over the last few weeks, we have received concerns from the Lime Grove Estate regarding drug activity, PCSO Mattison spots a vehicle acting suspiciously, PC Hussain manages to get behind the vehicle, driver stopped, driver did not have insurance, fails a roadside drugs test for cocaine and during a search of the vehicle a knife is recovered.

Driver arrested and bailed pending enquiries.
