

## Darley Dale, Wensley, Winster and Elton Safer Neighbourhood Team

As you will be aware, our current priority for the Darley Dale Safer Neighbourhood Team is the concern of Speeding in communities.

Following further consultation over the past month with communities and reviews of your concerns, passed to us at community engagements events, you have indicated that you would wish for Speeding to continue as our priority.

We will therefore continue with our efforts to improve Road Safety and continue to carry out speed enforcement in the local area over the coming months and will be posting updates regarding our work on our social media channels – Facebook, X (twitter) and Derbyshire Alert.

If you think we should be focusing on something else, please visit [www.derbyshirealert.co.uk](http://www.derbyshirealert.co.uk) and click on the Derbyshire Talking option.

Sign up today to Derbyshire Alert: [www.derbyshirealert.co.uk](http://www.derbyshirealert.co.uk) a free two-way community messaging service that allows Derbyshire Constabulary to send emails, and urgent messages by text.

**If you require more crime prevention advice, please come along to one of the street meets listed on the community engagements.**
