July 2026

## Bakewell Safer Neighbourhood Team

### Update from Insp Troup

As the officer in charge of policing for Derbyshire Dales, I am keen to see my officers continuing to deliver a good service to residents and businesses, tackling crime and antisocial behaviour, building strong relationships with our partners and being accessible to everyone in the community.

The number of people who visit the Derbyshire Dales often brings with it problems due to traffic noise, parking obstructions, and antisocial driving. These are things which have been highlighted as priorities by residents in most of our towns and villages.

We know that motorcyclists are drawn to Matlock Bath, the majority of who are responsible and law-abiding riders, but unfortunately it is the actions of a few irresponsible people that often spoil things and generate complaints due to the manner of riding or noise being made. We have several dates set out over the year where we work with our colleagues in roads policing and our partners at VOSA and HMRC to carry out speed enforcement and vehicle safety checks and we are also working with Derbyshire Dales district council and Derbyshire County council to look at how we can assist in minimising the disruption caused by parking, although no waiting offences were decriminalised many years ago and are enforced by the local authority and not the police.

Over the coming months whilst the weather is nice, we can sometimes see a rise in opportunist theft offences especially from vehicles. Please make sure that you lock your car (even when it is on a driveway at home) and do not leave anything on show. An old coat left on a seat might not appear tempting, but to a thief it could be the chance of a wallet left in the pocket, we have seen occasions where cars were broken into just for loose change left in the centre console.

If you are trying to keep cool when at home then avoid leaving valuables or keys near to open windows, if you are going outside into the garden then put windows on the safety catch rather than leaving them open when you cannot see into the room. If you have a dog then don't expect that they will deter thieves, I know that my dog is more likely to welcome strangers in if I am not sat next to her.

Since my last update I am pleased to report that PC Abaid Hussain from the Matlock Safer Neighbourhood team has received a divisional commanders award for 'Beat officer of the year', which is well deserved as Abaid has worked very hard to address issues within the community and to build strong relationships with residents and our partners. PC Tom Walker, PC Sophie Dunham and PC Faye Goodwin also received commendations for their actions in arresting a violent offender who was resisting them.

If you would like to find out what is happening in your area you can sign up to Derbyshire Alert which is a free messaging service [Home Page - Derbyshire Alert](#)

To find out who your local officers are and for details of how to contact them go to [Home | Derbyshire Constabulary](#)

If you want to help shape the police and crime commissioners' crime plan for Derbyshire, then you can complete the survey here

Making Derbyshire Safer **Together**

## Bakewell Safer Neighbourhood Team Newsletter Continued

### Anti-Social Behaviour Awareness Week

Takes place between Monday 29<sup>th</sup> June and Sunday 5<sup>th</sup> July,

During the week, the Safer Neighbourhood Team will be holding community engagement events, visiting schools to speak with children about the topic and conducting patrols in areas where concerns have been raised around Anti-Social Behaviour.

Please monitor our SNT Facebook page and Derbyshire Alert for further information.

### BBO's and how to report

During routine patrols our local Safer Neighbourhood Team Officers have had to make safe and dispose of two disposable barbeques in Rutland Recreation Ground in Bakewell on 25.06.26.

Following on from this we would like to issue the following advice; If sighted, they should be reported to the Fire Service by calling 999. They will need to know your exact location or nearest landmark. The best way of finding your location is by using what3words.

The fire service will make the area safe.

Derbyshire Dales District Council is the lead agency enforcing their Public Space Protection Orders and issuing fines for littering and barbeques so it should also be reported to them through their website [www.derbyshiredales.gov.uk](http://www.derbyshiredales.gov.uk).

If police are required, the fire service will contact us directly.

### Derbyshire Capture

Derbyshire Capture allows you to securely upload dash cam footage or digital footage of road traffic incidents directly to us.

Upon submission of your footage, you will receive an email outlining the possible outcomes of your submission. A Roads Policing officer will then review your footage and contact you if any criminal proceedings are to be undertaken on the back of your submission or if any further information is required from you to ensure that a thorough investigation, if necessary.

<https://snap.derbyshire.police.uk/>

### Reporting Incidents / Crimes to Police

**Website** – website: <https://www.derbyshire.police.uk>, **Facebook** – send us a private message to the Derbyshire Constabulary Facebook page. **Phone** – 999 in an emergency or if a crime is in progress, 101 non-emergency, You can also anonymously contact the independent charity **CrimeStoppers**, on 0800 555 111, or by visiting the CrimeStoppers website:

[www.crimestoppers-uk.org/](http://www.crimestoppers-uk.org/)

### Bakewell Safer Neighbourhood Team

PC Shaun Jakins, PCSO Hayley Radcliffe

PCSO Anthony Boswell
